## Wall Liner

Extensive, Flexible and  
High Performance Solutions

 **AHLSTROM**

## Introducing FibRoc® Wall Liner

Introducing Ahlstrom FibRoc® Wall Liner – a comprehensive range of high performance wall finishing solutions manufactured from both nonwoven and glass fibre tissue.

Designed for both do-it-yourself and professionals, our comprehensive portfolio provides you with the flexibility to select the perfect solution for your project.

### Global Manufacturing Excellence

Our extensive production network ensures:

**Security of Supply:** Multiple certified platforms for the entire portfolio, guaranteeing reliable, uninterrupted delivery.

**Custom Solutions:** Tailor-made options allow you to differentiate your offering and meet specific downstream needs.

**Expert Support:** Our technical specialists are committed to resolving challenges, helping you achieve success in your markets.

Manufacturing platforms for the FibRoc® portfolio are fully certified for quality (ISO9001), safety (ISO45001), and environmental (ISO14001) standards.

## The benefits of FibRoc® Wall Liner.

### Helping you select winning products to keep you ahead of the game

**Wide Range of Options** – Choose from a variety of grades and price points from an extensive portfolio to suit different market requirements.

**Tailored to Your Needs** – Customized solutions help you stand out and address unique customer challenges.

**Security of Supply** – Several qualified manufacturing platforms in Europe and North America.

### Helping your customers get their jobs done easier and with more fun!

**End-User Flexibility** – Engineered for ease-of-use in both do-it-yourself and professional applications.

**Effortless Application** – Options available that deliver easy installation and removal.

**Superior Paintability** – Achieve a flawless finish that effectively conceals imperfections.

---

Ahlstrom has an extensive technological platform, as well as the ability and flexibility to make a wide range of fiber-based solutions for multiple applications.
